## Join BGIS for the Annual WWF CN Tower Climb - Sunday April 6<sup>th</sup>!

### Calling all Corporate Warriors, Fitness Enthusiasts and Wildlife Lovers!

#### The World Wildlife Fund (WWF) Ultimate CN Tower Climb Challenge returns on Sunday, April 6<sup>th</sup>!

Climbing Canada's largest landmark is a celebrated annual tradition for BGIS Team Members and our Industry Partners!

**As we have in prior years, BGIS is extending this worth-while event to our valued suppliers, their families and friends. We would really love and appreciate your participation!**

Climbing one of the world's tallest landmarks is a rare and exhilarating opportunity to reach new heights for yourself and for the planet.

#### Join the BGIS Climbing Warriors and Climb as a Team!

Living Sustainably is a core value at BGIS and we challenge **everyone** to dust off their running shoes, set a personal fundraising goal and grab your colleagues, friends and family to participate in this fun event for nature conservation!

**We invite you to join in on the fun and help us reach our \$20,000 goal.**

#### You can support by:

- Participating in the climb and inviting your family and/or friends to join you or to support you with donations
- Making a donation

**BGIS Prizes to be awarded to the leading fund-raising participants.**

Please use code **BGIS25** to pay \$5 for participation fee - a \$20 discount.

### Did you Know...

*The CN Tower has committed to becoming a Blue Zone Buildings™. The goal of the BGIS Blue Zone Buildings™ program is to transform our understanding of indoor environments by focusing on human health, wellness and productivity.*

BGIS's annual commitment to the event demonstrates one of our company's core values, Living Sustainability, and its promise to "promote the efficient use of resources to benefit all people and the world."

For over 30 years, the efforts of climbers for the **CN Tower Climb for Nature** have contributed to some amazing conservation successes. With the support of corporate teams like ours, WWF-Canada can continue to build working examples that demonstrate that victories for nature are victories for people. The funds you raise will support WWF-Canada's conservation efforts will drive toward three ambitious goals, designed to get our future back on track:

**RESTORE**  
**1 MILLION**  
**HECTARES**

**Restore** at least one million hectares, regenerating lost complex ecosystems that provide essential wildlife habitat and sequester carbon in nature.

**STEWARD**  
**100 MILLION**  
**HECTARES**

**Steward** at least 100 million hectares of vital ecosystems for wildlife and communities.

**REDUCE CARBON**  
**EMISSIONS BY**  
**30 MILLION**  
**TONNES**

**Reduce** carbon emissions by 30 million tonnes by restoring carbon-rich habitats and protecting current carbon stores.
